EXECUTIVE SUMMARY

CHARIOT AMERICUS is a Veteran Owned Small Business (VOSB) that provides services, ranging from IT and marketing solutions to custom manufactured goods, to the Department of Defense (DoD) and US State and Federal Agencies.

Our mission is to offer US Government Agencies a competitive advantage by ensuring they have the best-in-class services and flexible supply solutions.

Our vision is to make US Government Agencies procurement process Simple. We will work with you at every step of the way-from initial consultation through delivery and beyond!

OUR CAPABILITY

MISSION

VISION

CHARIOT AMERICUS takes pride in building value for the different agencies, whether they are seeking a cost advantage, improving existing processes and delivering new innovations and solutions.

SOFTWARE, IT, CLOUD SOLUTIONS

We deliver global IT cloud development, integration, and deployment services and software quality assurance services. Our team has worked with companies such as Amazon Web Services (AWS), Model N, NetApp, nVIDIA, San Jose State University, User Testing and many more.

We provide branding, digital marketing, and web development services to startups, enterprises and United States Government services. Our dedicated team consists of Marketers, Web developers, Brand designers, and Brandologist from leading companies like AWS, Splunk, Meta, and many more.

We are proud to provide a wide range of products, including custom products, for the Department of Defense and United States Government Agencies with our global network of manufacturers. We work with leading product manufacturers in each of these areas to deliver competitive pricing and high quality products.
